NORMS FOR FIXING THE FEES

Notre Dame Academy believes that education of the students is the most important than anything else. We cater to the economically backward students; we take minimum fees from them so that every child is educated. Fees should not be a constraint between education and students. While fixing the fee the school keeps in mind the financial condition of the parents and all decisions are made in the SMC.

The revision of the fee is discussed in the School Management Committee after having discussion with the parents. Fees are collected in specified heading like admission fee, activity fee, maintenance fee, development fee, annual day fee, examination fee, computer fee, smart board fee and tuition fee.
